

Job

The smart highlighter for brilliant results.

The Job is designed with a large ink charge for highlighting more than 15,000 words. The general purpose ink presents maximum brilliance and good lightfastness on normal, copying, and fax paper. The polypropylene barrel not only protects the high ink quality for at least two years, but is also environmentally neutral and fully recyclable. Cap with clip, waterborne ink, Maxx 660 refill station, chisel tip for two line widths 1+5 mm.
